

Our refuge and our strength, O Lord we look to you  
Our ever-present help in times of need  
O prince of peace and light of light, almighty God of love  
Hear us as we cry out on our knees

***We pray for peace to reign  
Upon the earth again  
That stubborn hearts will turn  
And truth will win  
We pray for light to shine  
Across our world this time  
The love will overcome  
And peace will reign***

When all hope seems lost, O Lord we trust in you  
In our darkest hour we will not fear  
For power and authority belong to you alone  
Father, may we see your kingdom here

*Pray, we pray  
Pray, we pray*
